To whom it may concern

It is my pleasure to recommend Immaculate Events & Conferences to you. I personally started working with the Immaculate team in 2015, however Unitrans have been using their event and conference planning services long before I came on board.

Immaculate has organised conferences for as little as 5 people to events for 150 people for our organisation, and their services through all events have been professional, consistent and of the highest quality. They are willing to go the extra mile to ensure the success of our event, and I am always assured of the team's dedication.

Marieta and her team have organised year end functions, strategy sessions, farewell functions, team building events and conferences for Unitrans through our many years of partnership. Each event is customised to our specifications, and Immaculate always exceed our expectations. We consider Immaculate to be a valued partner and do not hesitate in recommending their services to you. Please feel free to contact me should you have any questions.

Yours Sincerely
